Subject: Reclamation Requirement, United Stone and Design, United Stone Quarry, S0470079, Uintah County, Utah

Dear Mr. Farley:

On November 20, 2007, the Division wrote you demanding that you submit the full surety balance of \$7200.00. To date, we have not received the full surety or any payments toward that amount. Therefore, you are no longer authorized to conduct any mining operations at this site and the Division, requires that the sites be reclaimed as soon as possible. Reclamation must be completed by June 1, 2008. If you submit the full surety by that date, the Division will withdraw the reclamation requirement, but if reclamation is not completed or the full surety has not been submitted, the Division will withdraw your notice of intention and seek forfeiture of the existing surety.

If you have questions about this letter, please contact me at 801-538-5325 or Paul Baker at 801-538-5261.

Sincerely,

Daron R. Haddock
Permit Supervisor
Minerals Regulatory Program
